Character Information

80-level-hedonist

Biography:
Age: 18 years
 An emotional and sensitive person with good taste, an aesthete. Ready to invest wisely in the best experiences, thinks through its hedonistic trajectory
 My aim is to live an adventurous, versatile and fulfilling life, full of new impressions and experiences. I believe life is a marvellous trip and best you is to explore whole world empirically. So I plan to travel a lot and to try different occupations and leasures, views, rythms, tastes and scents. I'll be intersted in different master-classes and be fine connoisseur of good food, wine, tabacco and perfumes. I also nees to change interiors and surroundings occasionally
 Dream: To start a winery in Napa and make my own Primitivo wine – rich and juicy.
 Target portfolio structure: 70.0% low-risk, 25.0% mid-risk and 5.0% high-risk assets; financial cushion as 30% of salary.
